

## **Ukrainian Revolution and Beyond: A Mosaic of Experiences**

*Student-to-student event*

**August 28, 17.00 -18.45**

**Philosophicum, Jakobi 2, room 226 (next to the UT main building)**

Young Ukrainians attending a summer school in Tartu share their thoughts on the Maidan revolution, the on-going crisis in Eastern Ukraine, and the future of their country.

Brief presentations by Ukrainian students and recent university graduates will be followed by a question-and-answer session.

The event is in English. Everyone is welcome, registration is not required.

The event is organized by the Centre for EU-Russia Studies (CEURUS) at the University of Tartu (see <http://ceurus.ut.ee>). The University of Tartu summer school attended by 30 young Ukrainians is co-financed by the Estonian Ministry of Foreign Affairs under its development cooperation programme.
